

## Readme

Fig7.xlsx gives the data for Figure 7.

The sheet named Data points gives the experimental data after applying a simple correction for collisional damping. The column A, B, and C give  $\lambda_{\parallel}/L_{A,\min}$ , the uncertainty in  $\lambda_{\parallel}/L_{A,\min}$ , and  $\mathcal{R}_0$ , respectively.

The sheet named Fitted data gives the fitted data. The column A and B gives  $\lambda_{\parallel}/L_{A,\min}$  and  $\mathcal{R}_0$ , respectively.
